MEMORANDUM FOR: Mr. C. Tracy Barnes
Deputy Director
Psychological Strategy Board

FROM: Deputy Director Central Intelligence

I attach a letter I just received this morning from []
[] which is self explanatory. Meanwhile he has called
me on the telephone and asked my help in pushing along this
project. I told [] that it seemed to me that the
matter was one for the PSB rather than for us and indicated that
I had passed it on to you. I have a second copy of the papers
and I will ask our people to look them over.
